

STAR TASTER SERIES

At Workforce

STAR Taster Series

The Secondary Tertiary Alignment Resource (STAR) was established in 1996, with the intention of enabling schools to help their students make a smooth transition from school to further education or employment. In addition to the individual STAR programmes, outlined in the **School & Career Programmes Guide 2010**, Workforce now offers the One-Day STAR Taster Series.

STAR Taster Series Topics

The STAR Taster Series is an ideal opportunity for students to learn more about specific industries and to enable more informed decision making on their career of choice. The One Day Series allows students and facilitators to engage in focused workshops supporting students to achieve better results and increased positive outcomes. The STAR Taster Series offers industry specific introductions into:

- Early Childhood Education – An introduction to an exciting and rapidly growing industry
- Hospitality – An introduction to the world of hospitality including Chef, Cafe operations, front of house and bar operations
- Business – An introduction to the world of business including a range of specialty areas
- Youth Work and Social Services – Leadership and assistant skills in a professional or volunteer setting
- Health – An introduction to a career in Residential Aged Care
- Tourism – An introduction to global Tourism career options
- Retail – An introduction to a career in Retail

Flexible Delivery Options

A range of flexible delivery options are available to meet the needs of students and schools:

- 1 x full-day workshops
- 2 x half-day workshops
