

Early Childhood Education National Certificate - Level 3

You enjoy being around young children!

This Early Childhood Education (ECE) introductory programme will provide you with a basic introduction to the skills and knowledge involved in the education and care of infants, toddlers and young children within the social-cultural context of New Zealand. ECE is a growth area and there is a huge demand for qualified ECE teachers throughout New Zealand.

Your Career Opportunities

Once you complete this certificate you can undergo further training to become an ECE Teacher. You can train while you work within an ECE centre, become a Home-Based Educarer, Hospital Play Specialist, ECE Teacher in a teacher-led service, or Nanny in New Zealand and overseas.

Brief Programme Outline

You will gain knowledge over a range of ECE areas to enable you to develop a strong understanding of child development and how you can support the learning of young children. The programme is delivered by experienced professionals. You will also receive confidence building, hands-on practice plus excellent printed resources.
