

Youth Work

National Certificate - Level 3

You have a passion for working with young people!

This Youth (National Certificate – Level 3) programme will provide you with the foundation you need to start your career as a Youth Worker.

You will develop positive, interactive skills as well as an awareness of the environments and their effects on young people in Aotearoa today.

Your Career Opportunities

You can find employment in a wide range of positions once you are qualified.

You will be able to participate effectively in youth work leadership roles in the following areas - assisting at churches, schools, community and council settings, events and management.

Or, go on to develop your skills further and enrol on the National Certificate of Youth Work, Level 4, programme.

Brief Programme Outline

You will gain knowledge over a broad range of Youth Work areas, including Leadership. You will experience a 'hands on', interactive learning environment, receive excellent printed materials and have the support of dedicated, experienced tutors in this field.

www.workforce.ac.nz

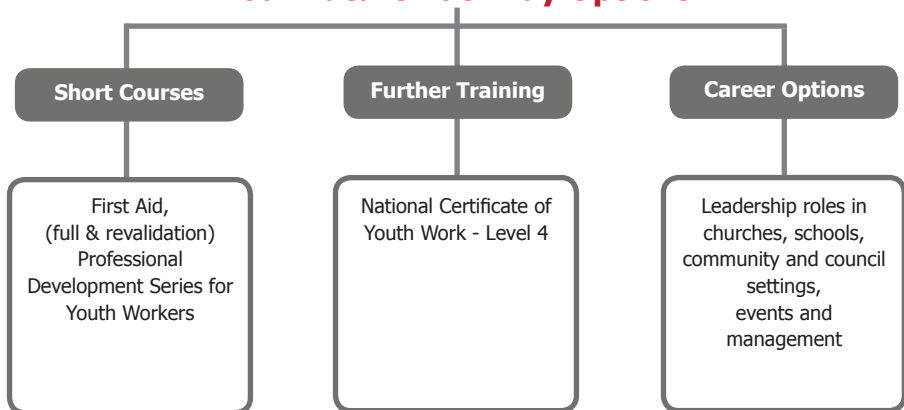

You will have the opportunity to gain the National Certificate of Youth Work NZQA Level 3. Programme modules are structured in an easy to follow format to help you get your new career as a Youth Worker off to a flying start. You will cover all the key foundational elements that underpin the development of young people today.

Topics include:

- **Foundations for Youth Work**
Develop an understanding of the key elements that underpin youth work, including safe and effective practice.
- **Profiling and Working with Young People**
Learn how to identify and understand youth culture. Gain an understanding of how to establish safe and healthy relationships when working with young people.
- **Youth Work in Practice**
Apply knowledge and skills in a supervised setting using safe and effective practices.

* For a detailed outline of NZQA Unit Standard topics, check out the course information sheet.
