

# Hospitality

## Professional Cookery - Level 3

**You are passionate about cooking and want to take your first steps into a vibrant and dynamic industry!**

This Professional Cookery (Level 3) programme will give you the opportunity to work in one of the most exciting, fastest growing industries in the world - Hospitality.

You will develop the skills you need to get your hospitality career off to a flying start. Your stepping stone to becoming a qualified chef!

### **Your Career Opportunities**

You can use this qualification to further your career in hospitality and to work in Cafés, Restaurants, Wineries, Hotels and Cruise Ships.

You may also choose to continue on to study at a higher level of Advanced Cookery (Level 4) and become a qualified chef.

Your study will demonstrate to employers your commitment to the industry, your energy and drive to succeed.

### **Brief Programme Outline**

On this programme you will focus on aspects of professional cookery. You'll experience training in a fully-equipped, 'real live' commercial kitchen at Workforce Development. This programme is also offered as a 'Work Link' option, enabling you to work in the industry while gaining your qualification.

[www.workforce.ac.nz](http://www.workforce.ac.nz)

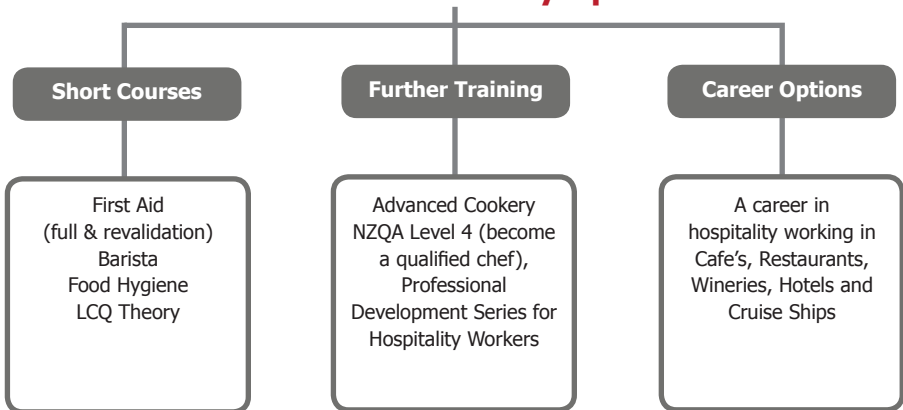

You will have the opportunity to gain the National Certificate of Cookery NZQA Level 3. You will learn to develop your cookery techniques and take part in the running of a commercial kitchen service, which will be all important in the development of your career within the hospitality industry. This programme will set you on the right path.

## Topics include:

- **Food Hygiene**  
Practicing food safety methods and demonstrating knowledge.
- **Food Preparation and Presentation Techniques**
- **Cooking Techniques**  
Meat, chicken, fish and vegetable dishes, soups, stocks, egg dishes, rice dishes and sauces.
- **Knife Handling Skills**  
Demonstrating the safe handling and maintenance of knives in a commercial kitchen.

\* For a detailed outline of NZQA Unit Standard topics, check out the course information sheet.
